

Introducing Grande & Infinity.

HIGH END DISPLAYS &
SEAMLESS SOLUTIONS

Grande Display Solution

Create dynamic brand experiences that deliver on a high-end scale, reaching new heights with the Grande display solution.

Boasting three metre high black powder-coated framework, the Grande is designed to be a feature in and of itself – enhancing the overall display and customer experience.

Grande creates elevated hotel pop-ups, pavilions and feature areas.

Grande display solution accommodates the following upgrades and enhancements:

- Infinity, alternate walling & soft materials
- Shelving (corner, straight and curved)
- Screen Mount
- Lighting
- Raised Flooring
- LED Dreambar
- Fascia
 - Standard
 - Triangular Edge
 - LED Backlit
 - Extended Height
 - Suspended

Infinity Shell Scheme

Infinity Shell Scheme offers clients the ability to upgrade from standard solutions, delivering impactful brand presentation and heightened customer experience.

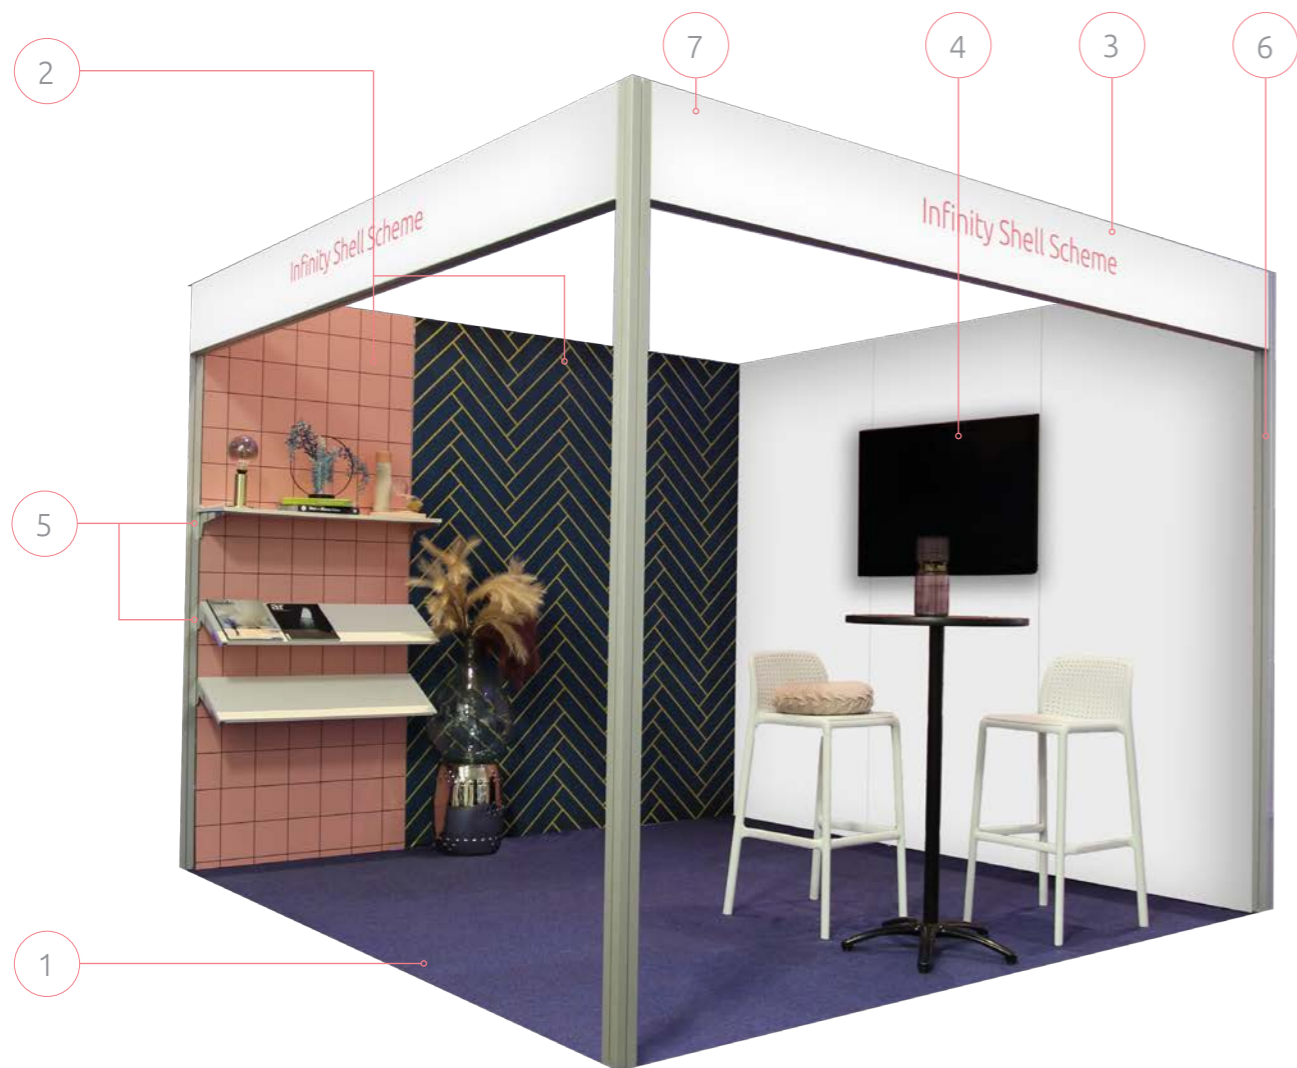

Infinity integrates and enhances existing industry expectation, transforming brands on a premium platform with seamless opportunities and considered display/merchandising.

Infinity is completely sustainable and returned for continual reuse. Furthermore, clients can select from sustainable signage outcomes (such as fabric or DISPA) adding to the systems environmental integrity.

Infinity shell scheme accommodates the following upgrades and enhancements:

- Fabric Banner
- Shelving (corner, straight and curved)
- Slat Walling
- Screen Mount
- Lighting
- Raised Flooring
- LED Dreambar
- Fascia
 - Standard
 - Vertical
 - LED Backlit
 - Extended Height
 - Suspended

Infinity Shell Scheme Configuration Options

1. Flooring

Select from ExpoNet's carpet offering, inclusive of Needle-punch and carpet tiles (available in varying colours) or select a raised flooring outcome for distinction.

2. Infills, fabric banners & sustainable solutions

Infinity supports standard and sustainable print materials, such as 100% recyclable infills and fabric banners.

3. Fascia Configurations

Infinity supports standard (as shown), extended height, Vertical, LED Backlit as well as suspended.

4. Audio Visual

Infinity supports screens of varying dimensions.

5. Wall Shelving

Infinity offers seamless shelving units which are supported by the internal framework. Choose from straight, sloped or corner solutions. Shelving units can be created with white, black or custom elements.

Slat walling is also available in white or black.

6. Grande display solution

Infinity supports Grande 60mm powder-coated frames, which can be used as an additional point of difference, or to establish Pavilions.

7. Lighting

Infinity supports standard track and arm lights, with added ability to integrate Dreambar lighting, which harnesses the power of RGB LED programmable colours
