

Custom Projects

Where brands are built.

At ExpoNet, our vision is to bring your brand to life 3 dimensionally. By creating the environments where people can connect, celebrate and interact, we help showcase our clients' brands, promote engagement and ensure a strong return on investment.

ExpoNet's design and project management experts, along with our experienced sales managers offer a seamless service partnering with clients to achieve the impossible. We are passionate about offering custom solutions, extensive event equipment, detailed venue knowledge, proactive project management, innovative technology solutions and stylish furniture products.

With international reach, in-house design and production facilities in Sydney, Melbourne and Brisbane/Gold Coast, our talented professionals have the backing of solid networks and infrastructure to partner with you to create successful events.

By building great exhibitions and events, we help to build successful brands. As your partner - we listen, create and deliver outstanding products and solutions ensuring every event is a runaway success.

AN AWARD WINNING PARTNER

Capturing the essence of your brand and transforming it into a 3 dimensional, experiential marketing space is what our Custom Stand Account and Project Managers do best!

We pride ourselves on applying expert industry knowledge and the latest offering in infrastructure to create activations that uphold your brands' integrity and credibility as well as offer an outcome that enables maximum engagement on the show floor.

We've been consistently recognised for our outstanding innovation, design and delivery of exhibitions, custom projects and events.

CUSTOM PROJECTS

INTRODUCTION

Partner with an award winning team to design and build your custom project.

Whether you're looking to create a custom exhibition stand, 3D features, retail fit out or pop-up display - we've got the knowledge and infrastructure to deliver a high quality outcome.

Working with ExpoNet, you'll have access to all our departments, all with years of experience, to meet your specialised requirements, including:

- Project Managers
- CAD Designers
- Qualified Electricians
- AV Specialists
- Carpenters
- Stylists
- Graphic Designers

OUR PROCESS

01. Brief

We'll help you form a strong brief prior to the design stage.

02. Design

Our design team take the brief and create a concept.

03. Quote

Reviewing the concept, we'll develop a quote to create the concept upon design approval.

04. Create

Once costs are approved, our expert team will assemble materials and build your concept.

05. Install

We'll deliver and install your project on time and on budget.

CONCEPT TO COMPLETION

Utilising dynamic conceptual sketching and the latest in Computer Aided Design technology, our team will create exciting concepts.

CUSTOM PROJECTS CUSTOM BUILDS

The sky's the limit! At ExpoNet, we have experienced custom stand designers who can transform your brief into a tangible marketing environment ensure maximum engagement and return on investment.

WE have teams of dedicated custom stand designers, design and project managers to ensure that your brief is met first time, everytime.

We'll work with you to create a cohesive design brief that encompasses your objectives and stand requirements, as well as discuss potential value add options to heighten the customer experience and elevate your brand.

At ExpoNet, we understand that it's important to stand out – so let us reveal the real potential for your brand.

ALUVISION

Aluvision offers the luxury and flexibility of custom creations with the benefit of an environmentally friendly and sustainable outcome.

ALUVISION is a design and build option for all custom stands, organiser feature areas and exhibitor pods.

Available to clients in New South Wales, Victoria and Queensland, the modern system provides flexibility, precision, time saving and logistical benefits whilst delivering a high end look.

Aluvision is the perfect solution to provide seamless brand integration, flawless wow factors and contemporary concepts.

"The implementation of your new product Aluvision met with our brief requirements seamlessly and our sponsors and stakeholders were extremely pleased with the flawless, innovative and extremely high quality of the design and construction of their exhibits using this system. The upscale finish was exactly the look we set out to achieve – and you delivered."
 Director, Mice Depot

Sustainable custom solution.

While offering complete flexibility with your custom design, the Aluvision modular system also provides clients with an environmentally friendly outcome, as the framework can be reused time and time again.

CUSTOM STAND & ORGANISER FEATURE AREAS

The client is responsible for all equipment provided by ExpoNet throughout the hire period and at all times during which it is on site or in the client's possession.

The client is responsible for monitoring the security of the site at the time of installation, dismantling and when the equipment is in use and not in use.

This quote is based on information provided by the client. If the details change, ExpoNet reserves the right to review the pricing.

The client is responsible for obtaining approval of the stand design from the exhibition organiser.

Quotes are given subject to venue approval, site inspection and availability of labour and equipment. Quotes may be amended or withdrawn based on these factors.

All costs listed in this quotation are for the hire of componentry except where otherwise stated.

All standard componentry is quoted on a labour and stock availability basis and cannot be confirmed until the 'Acceptance & Confirmation' has been received and the deposit paid.

Custom built stands are temporary structures designed for 2 to 3 uses, after this the stand may begin to deteriorate due to general wear and tear. Any usage beyond this will incur a fee for maintenance and repairs, or the building of a new stand.

This document is confidential and must not be shown to parties not directly related to this event without written agreement from ExpoNet.

The client may not infringe any copyright laws in relation to drawings, designs proposals or other material provided by ExpoNet. This material remains the property of ExpoNet at all times and cannot be reproduced without agreement.

The client agrees that our standard

terms apply other than as are inconsistent with any special terms agreed. ExpoNet complete terms and conditions are available for review on www.exponet.com.au

ARTWORK & SIGNAGE

All signage artwork must be received 21 days prior to installation or a 20% surcharge will apply. Onsite signage orders will receive a 33% surcharge. Final approval of artwork is required 10 days prior to installation.

ExpoNet takes no responsibility for supplied material. Please ensure that all spelling and layout are correct as there is no compensation for errors.

Signage will be recycled after dismantle unless arrangements have been made prior to move out of the show.

While all due care will be taken, ExpoNet takes no responsibility for damage or wear and tear to signage and custom structures caused during dismantle or transport.

CAD PLANS

ExpoNet requires a three to five working day turnaround for all CAD plans (new and revisions)

The first four CAD plans are provided free of charge, additional revisions or new plans will be charged at \$125 per hour + GST

The final design is to be confirmed no less than 10 working days prior to installation.

DAMAGE WAIVER

The damage waiver is a compulsory fee to cover the attrition of hire product.

Damage waiver applies to all hire equipment including structures, furniture, shelving, electrical and audio visual products.

Damage by fusion of electrical equipment is the Customer's liability and failure to take out the necessary precautions will result in the

Customer being charged for repairs to the damaged equipment.

ON SITE VARIATIONS & ADDITIONS

ExpoNet reserves the right to charge for any changes requested on site to the signed off plans.

Late fees apply to onsite orders

DESIGN VS QUOTATION

If, as a result of budget or other constraints, there is a variation between the design drawing and this quotation, the stand will be produced as per the quotation.

STAND CANCELLATION

A minimum 50% cancellation fee of the quoted value will apply on all signed and accepted quotations.

MATERIALS HANDLING

If, due to Venue Occupational Health and Safety regulations, a forklift spotter is required to guide forklift drivers whilst operating in the exhibition hall, a forklift spotter fee will be charged. Forklift spotter fee: \$150 per 1000sqm of exhibition space.

Some venues require specialist materials handling equipment for move in/out. Your Account Manager will advise if there are any additional charges for your venue.
